Limbs Badly Swollen.

Dr. M. M. Fenner, Fredonia, N. Y.

Dear Sir:—About 4 years ago I began to suffer with severe pains in my back making it impossible for me to do any work. My limbs were swollen badly and I was troubled with an affection of the heart also, all coming as I suppose from kidney trouble. I had tried several kidney remedies with little result, not satisfactory.

I asked Mr. Dorrance, the druggist who handles your goods here and he recommended your Kidney and Backache Cure saying he had sold it for several years very successfully. I took 4 bottles and the swelling has all gone from my limbs and my heart trouble completely cured.

I have recommended this Remedy to a large number of my acquaintances, with the same result.

I will gladly answer any letter from any one. KIMBALL PARRISH, 258 E. Washington St., Coldwater, Mich.

SANAZOL

LOTION AND SOAP. POSITIVE CURE FOR ALL SKIN DISEASES.

The wonderful discovery of the famous specialist in skin diseases, A. J. Fulton, M. D., Brooklyn, N. Y.

Sanazol treatment is external only. SUFFERERS FROM

Eczema, Lupus, Herpes, Ringworm, Prurigo, Scrofuloderma, Skin Cancer, Pediculosis, Psoriasis, Ecthyma, Lichen, Syphilis, and all other forms of ulcerative, scaly and parasitic skin diseases find immediate relief and permanent cure by the use of Sanazol. It removes pimples and blackheads and cures sweaty or itching feet.

Some of the now famous cures by Sanazol treatment were fully described in the New York World of March 9 and the Brooklyn Daily Eagle of March 23, 1904.

August Newman of Enfield street, near Graves Place, Brooklyn, writes that he had been a sufferer from skin eruption for eight years called various names by different physicians. Finally he was induced, in sheer desperation, to try Sanazol. He enjoyed his first unbroken sleep after the first bottle of Sanazol. His reward for a conscientious treatment of this remedy for two months was a complete cure.

THE SOAP

has no equal. Its daily use without lotion will give your face and hands a perfect skin, restoring the defunct respiratory conditions of your skin to its normal health, producing the freshness of youth and a glow of health and beauty. Try it.

Those afflicted with itchy and scaly skin diseases suffer most during hot weather. Avoid this by the use of Sanazol.

Write for testimonials and full particulars of Sanazol treatment (free of charge). Treatment requires combined use of lotion and soap. Sent on receipt of price or at druggists. Lotion, half pint, \$1.00; Soap, 25c per cake or jar (3 cakes, 65c).

REV. C. B. LYNN'S SERMON ON PRAYER

DELIVERED AT UNIVERSALIST CHURCH AT SUNDAY MORNING SERVICE.

Rev. C. B. Lynn, pastor of the Universalist church, chose Eph. 6:18 for his text on Sunday morning. He said in part:

Prayer is the cry of the soul to God for help. Therefore, it is outside of the sphere of criticism. And yet we confess that we have often said that some prayers were too secular, too commonplace; other prayers too scholastic.

Edward Everett's prayers were said to be the finest addresses to God ever delivered before a Boston audience. Again, some prayers are too indefinite. They are nothing more nor less than soliloquies about law, order, space. May we be spared from such prayers.

The text teaches the true doctrine of prayer. We should pray in the spirit. Prayer in the spirit means prayer for the things of the spirit.

Let us then turn to God with an earnest word in the Spirit as to our needs. Let us pray for honesty, for faith, for virtue, for help in our efforts to build up Christian manhood.

As to our relations to others, let us pray for strength to perform some sacred duty to parents, to children, to the school, and to the church. Pray under the impelling power of love; then there will be joy in prayer.

We should pray, believing that our prayers will be heard and answered. Observe, prayer implies belief in God—a personal God. Strange to say that the word personal in this connection, is a stumbling block to some people. Why? Do we pray to vacuity? To a tendency? Do we pray for a blessing from a force? No! We pray to a Person, the Infinite Personality—God. Can we find a better word than personality to express our thought? No! The word of our divine Lord should suffice. He says: "Our Father!"

Read John 15:7 as to answer to prayer. The condition is: "If ye abide in me." Our desires must be of the best; we must pray in the spirit for the things of the spirit. Thus our soul becomes accessible to the divine influence. Thus we open the way for God to answer our prayer.

The general rule is that the answer to prayer is wrought, through human endeavor. That is man's part in the work. The student prays for scholarship. Very well. The word for him is—"Study!"

We pray that the church may be an inspiration to us. Let us be constant in our attendance at the church and in our service in the name of Jesus.

Heed this lesson beloved. It is a lesson for religionists of every name. We miss a dynamic in our religion when we neglect the hour of prayer.

In prayer we seek an audience with God. In prayer we may know, in part, what it means to have communion of life with God. At such a moment we shall see the tides of the divine life surging within us. Let us pray.

Man's Unreasonableness

Is often as great as woman's. But Thos. A. Austin, manager of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, "we concluded to try Electric Bitters. My wife was then so sick she could hardly leave her bed, and (5) physicians had failed to relieve her. After taking Electric Bitters she was perfectly cured, and can now perform all her household duties." Guaranteed by all druggists; price 50c.

NEW RULES IN FORCE AT THE CUSTOM HOUSE.

New rules are now in force at the custom house, the local officials having recently received instructions from the treasury department regarding decisions of the department.

These are to the effect that the consignee or clearer of a vessel shall not be divulged to any person; or published in any newspaper. For many years every vessel cleared by a timber merchant has been published, as well as the name of the merchant shipping the cargo. This information was also written in the clearance book, but since the new orders have been received the name of the shipper is not known to the general public, and does not appear upon the book.

"Thank the Lord!"

Cried Hannah Plant of Little Rock, Ark., "after the relief I got from Bucklen's Arnica Salve. It cured my fearful running sores, which nothing else would heal, and from which I had suffered for 5 years." It is a marvelous healer for cuts, burns and wounds. Guaranteed at all drug stores; 25c.
